

Warsaw, 26.03.2017

### ***Invitation***

We have the pleasure to invite you to participate in the XXV Jubilee International Scientific Conference “Progress in Technology of Vegetable Fats”, organized by the Institute. The Conference will be held on 31 May - 02 June 2017 in Rynia Training Center Allianz near Warsaw. The scientific programme of the Conference will include different problems concerning:

- oils and oilseed rape processing and products,
- fats quality,
- analytical problems,
- nutritional aspects of vegetable fats,
- fat modification in technological processes,
- non edible use of oils and fats,
- oils and fats market.

The Conference will cover lectures and oral short communications as well as papers presented in poster session. As usually the Conference will also cover the fat products exhibition (oils, margarines, confectionery fats, frying fats, etc.) and their sensory evaluation.

May we also kindly ask you to give the lecture during the Conference.

The preliminary Conference schedule is as follows:

31.05.2017 (Wednesday) Registration - from 18.00,

01.06.2017 (Thursday) Opening of the Conference: 9.00  
Scientific programme - lectures, posters, fat products exhibition; official dinner party

02.06.2017 (Friday) Scientific programme 9.00 – cont.; summary and closing of the Conference 13.00
